**RE: MEMORANDUM OF SUPPORT AND COLLABORATION**

Dear Ms. Diaz:

The Miami-Dade County Homeless Trust is pleased to enter into this Memorandum of Support and Collaboration with CCDH, Inc. d/b/a The Advocacy Network on Disabilities for a Countywide Special Population Partnership focusing on the unique needs of children with disabilities and their families.

The Families CAN! Partnership, utilizing a family strengthening model, will provide comprehensive care coordination, as well as provide and arrange for generic and specialized primary and supportive services for both the child and the family. We are pleased to join a partnership that includes other organizations with the experience, expertise, and commitment to working with families, children with disabilities and as members of a collaborative striving towards a common goal.

The Miami-Dade County Homeless Trust has collaborated with CCDH, Inc. d/b/a The Advocacy Network on Disabilities over many years and will continue to work collaboratively to further grow our partnership. The Homeless Trust is the lead agency for Miami-Dade County's homeless continuum of care and provides housing and services to households experiencing homelessness, including families with minor children. Households often have one or more family members with a disability.

We will continue to collaborate with CCDH, Inc. d/b/a Advocacy Network on Disabilities by referring families for services as appropriate, participating in partnership meetings and receiving referrals of families experiencing or at-risk of homelessness.

Sincerely,

A handwritten signature in cursive script that reads "Victoria L. Mallette".
