Response to written questions**

Q: “Does this project use one or more properties that have been conveyed through the Title V process?”
What does that mean?

A: Title V – Federal Surplus Property for Use to Assist the Homeless. Title V of the McKinney-Vento Homeless Assistance Act, Public Law 101-645 (42 U.S.C. 11411), enables eligible organizations to use unutilized, underutilized, excess, and surplus Federal properties to assist persons experiencing homelessness. If you do not already have a Title V property, or don’t intend to use your Title V in your application, answer: no or N/A.

Q: In the Joint Component Transitional Housing and Rapid RE-housing (RRH) , are able to provide case management, assessment (intake) service of Needs, employment services (financial literacy), Referral to food banks, life skills and outreach services, bus card for transportation and mental health services?

A: Case management, Assessment of Needs, Employment services, Life skills, outreach services, bus cards and mental health services can be budgeted in the joint component TH:RRH project. Referral to food banks is more a a function a case manager can perform.
