

Miami-Dade CoC Apartment Comparison Checklist

Directions: Use this checklist to compare different apartments. As you are viewing an apartment, turn appliances on and off to ensure that they are in good, working condition, test the water pressure in the kitchen and bathroom, check the locks on the windows and doors, etc. Do not be afraid to ask the landlord any questions you may have, particularly about the terms and conditions of the lease. Note that you may have already asked the landlord about the terms and conditions when you first called about the unit, but ask again to verify the information you received. You may also want to ask the landlord what type of routine maintenance is done on the apartment and how repair issues are handled. Finally, talk to current tenants to find out how they like living in the building. Do they feel safe and secure? What is the noise level? Is the landlord responsive about repairs? Moving can be expensive and disruptive, so it is important to find a unit that meets your needs.
