

## **CoC and HACMB Moving Up Strategy Coordination Handbook**

### **A. PHA/CoC “Moving Up” Strategy**

The Housing Authority of the City of Miami Beach (“HACMB”), administrator of a Section 8 Housing Choice Voucher (“HCV”) Program, has partnered with the Miami-Dade County Homeless Trust (“MDHT”), lead agency for the Miami-Dade County Continuum of Care (CoC), to identify individuals and families ready to transition or “move up” from Permanent Supportive Housing (“PSH”) into the HCV Program (“Moving Up Strategy”). These are families that were homeless prior to entry into the PSH program and who continue to need a rental subsidy but no longer require intensive supportive services.

The HACMB has incorporated a Moving Up Preference into its HCV Administrative Plan (“MU Preference”), and has allocated up to ten (10) vouchers from its Section 8 Housing Choice Voucher Program specifically for targeted households under the MU Preference.

- A HCV provides tenant-based rental assistance towards a private market rental unit and follows the HCV holder if they choose to move to a new unit following the end of a lease term. Households admitted to the HCV Program through the MU Preference will be eligible to apply for other PHA programs.
- The HACMB will accept referrals from the CoC’s Coordinated Entry Program following pre-screening by CoC PSH providers, who will use a common assessment tool to identify those individuals and families that are a good candidate for a successful transition from PSH to a HCV (Moving Up Assessment).
- Qualifying applicants will be given absolute priority over other applicants until the number of HCVs allocated under the MU Preference is reached, taking into account any additional preferences for which they qualify, and the availability of vouchers. Once these vouchers have been utilized, no additional priority will be given under the MU Preference until a participating “move up” household ends participation in the HCV program, at which point the HACMB will accept a referral for a replacement “move up” eligible family for the next available voucher.

### **B. About This Handbook**

The policies and procedures set forth in this Moving Up Handbook are not intended to be incorporated into and/or supplant any part of the HACMB’s Administrative Plan governing the administration of its HCV Program. These policies and procedures relate solely to coordination between the CoC and the HACMB and its PSH providers in support of the Moving Up Strategy. ## **D. PHA – CoC Coordination Process**

### **1. Referral Process**

- All referrals to the HACMB under the Moving Up Preference must be made by the MDHT Housing Coordinator.
- Prior to seeking a referral, PSH providers must pre-screen their PSH participant using the Moving Up Assessment tool to determine if the PSH participant is a good candidate for the HCV Program (Attachment A).
- The PSH provider must submit a request for referral on behalf of their PSH participant to the MDHT Housing Coordinator. The completed Moving Up Assessment serves as the request for referral and must be signed by both the PSH participant and the PSH provider.
- The Moving Up Assessment will include an Applicant Acknowledgment setting forth that: (a) the applicant understands the nature of the HCV Program; (b) once participating in the HACMB HCV Voucher Program they may not return to PSH; and (c) they are voluntarily applying to transition from PSH to the HCV Program;

### **2. Moving Up Preference**

The HACMB will utilize policies and processes set forth in its HCV Administrative Plan to accept referrals for admission under the MU Preference. The HACMB will provide an explanation of these policies and processes to the MDHT Housing Coordinator.

### **3. HCV Application Assistance**

- HACMB shall inform the MDHT Housing Coordinator if a referred household will be extended a HCV eligibility interview.
- The PSH provider shall be notified by the MDHT Housing Coordinator in advance that their participant is being scheduled for a HCV eligibility interview. #### **G. Applicant Withdrawal Prior to HCV Rent Assistance Start**

Applicants can withdraw from the HCV Program under the MU Preference prior to commencement of HCV rental assistance. Participants can decide to reapply under the MU Preference at any time and will not be penalized for their prior withdrawal. PSH providers will assist the participant in completing a Withdrawal Form (Attachment C)

#### **H. Participant HCV Program Termination and Referral for Assistance**

The HACMB may terminate a participant from the HCV Program when the participant violates the Family Obligations Policy or when the participant is no longer eligible for assistance (see HACMB's HCV Administrative Plan).

- Participants may request an Informal Hearing to appeal the termination in accordance with the HACMB HCV Program's Administrative Plan.
